

Changed Lives...

- As an infant, our son contracted a staph infection that ate away part of his bones and years later was diagnosed with autism. I had always condemned myself for not doing more to help him. At the encounter God came and wiped away all my guilt, replaced it with joy and gave me a promise of restoring my son. We see evidence of this daily. Everyone can benefit from this encounter. Praise the Lord! God is so good!

- Before I went to the encounter, I was very skeptical and thought that I did not need anything, I was just fine. Wow, was I wrong! When I allowed God to direct my path during the encounter an enormous weight was lifted from my heart, mind and soul and I was delivered from jealous thoughts and inappropriate behaviors. This encounter has allowed me to move closer to God because I do not have those obstacles in my way.

- I went to a Sudden Impact last spring and God knew I would be there. For the first time in a long time I let my guard down and God did a marvelous thing in me...a deliverance took place. God put a new song in my heart. He gave me new boldness. I started praying for things at work and changes are happening. In all this God did a lot of setting me free. I want to be where He is and working with others so they can know and be set free through Jesus Christ the Lord.

A Personal Invitation to a Dramatic Encounter With God!

April 16, 17 & 18, 2010

What is an Encounter?

Being a Christian means to live by God's Word - learning it, personally experiencing it, and obeying it. The Bible gives us many examples of people who were radically transformed by their personal encounters with the Lord Jesus.

An Encounter experience is a dramatic process that completely changes the course of our lives. All of us have already experienced many important milestones, or encounters, in our lives: falling in love and getting married, being accepted into a university, obtaining a job, etc. But of all the encounters we could have, the most important one is an encounter with the living God! Matthew 16:26 says, "What good will it be for a man if he gains the whole world, yet forfeits his soul?"

The Encounter presents a series of experiences and personal teachings that result in visible, manifested change in the lives of all who participate. It offers people an environment and opportunity that allows them to discover how to establish their relationship with God, how to have direct fellowship with Him, and how to commit to His lordship in their lives.

- Receive assurance of salvation
- Experience forgiveness
- Deliverance from bondage
- Emotional and physical healing
- Restoration of worth and value
- Learn to walk in the blessing of a Covenant Relationship with God and His family

It is our desire and prayer that every person who come to the encounter actively seizes the opportunity to experience God. The results will be manifested in transformed lives - lives that are saved, forgiven of sin, set free, and healed by the power of the living God, Jesus Christ the Lord!

A Note From Pastor Mark Rose

Several months ago I attended a version of Encounter that involved only men. I went feeling it was my obligation as a pastor to participate and see what was taking place. I was quickly reminded that it wasn't about me, but about what God desires to do in a very personal way in the life of each person. I saw what happens as we come openly and humbly before our God. People are able to confess and abandon behaviors that have gripped them for years, physical healings that show that God is no respecter of persons, marriages restored and are now honoring Christ with renewed life and joy, all from a few hours intentionally dedicated to encountering a living Savior, Healer, Restorer and Friend.

There is nothing we would like better than for you to take a few minutes and fill out the registration form for your God Encounter.

If you have any misgivings, please take a moment and ask your Heavenly Father what He thinks. If He says no, please throw this away. If however, you sense a nudge to attend, please do it!

God promises that if we seek Him we will find Him if we search for Him with all our heart. You will never regret seeking His presence!
