

## Discovering God's Vision Together

Key elements to God's vision for Victory Road A/G:

1. To develop a Christ-focused people who share His heart for Norfolk and the world.
2. To provide an effective system of small groups to assimilate and disciple people.
3. To have an effective ministry to divorced and single parents.
4. To grow children's and youth ministries that are relevant to the lives and futures of those to whom we minister.
5. To develop and maintain a missions worldview that permeates every part of VRAG ministry from early childhood to senior adult.
6. To become a TEAM minded church.

What TEAM stands for and we want to do:

**T**----- Teaches and Trains

**E**----- Evaluates and Equips

**A** ----- Assimilates and Affirms

**M**----- Motivates and Manages

Foundational values:

1. The Scriptures are our foundation for every practice in the church. They are inspired, inerrant, and infallible – they are to rule our faith and practice.
2. We believe that becoming a disciple is a lifelong process. It involves water baptism, prayer, regular corporate worship, ongoing learning of and obedience to the Scriptures, fellowship with other believers, and participation in activities that help each person discover and use their spiritual gifts and talents to minister the Gospel.
3. We believe that every disciple should seek and expect to be baptized in the Holy Spirit for empowerment to become an effective and productive follower of Jesus Christ.
4. We are a "Missions" church. Christ's last command is to make disciples all over the world. This means the investment of our prayers, our money, our work, and our people, not just locally, but worldwide.

Our Mission:

***Helping people discover who they are in Jesus Christ.***
